

## Information from the board - April

### **General meeting Tuesday evening 24 May (will be held in Swedish)**

Now it's time to put this year's general meeting in the calendar! The meeting will take place on Tuesday evening, May 24<sup>th</sup>, in one of the high school's Drottning Blanka's premises, just a little bit down Warfvinges väg. More information will come in a separate notice. The meeting will only take place physically and it is therefore not possible to participate digitally according to current laws and regulations that have now returned to normal after the pandemic. The board looks forward to seeing you all and hopes that the high school's large premises will be able to offer some distances to other participants.

### **Apply to the Board and Nomination Committee**

At the Annual General Meeting on May 24, a new Board and Nomination Committee will be elected. It is therefore time to contact the Nomination Committee if you are interested in any of these positions. The Nomination Committee can be contacted at: [valberedning@mittgladan.se](mailto:valberedning@mittgladan.se)

### **Cleaning and waxing of floors on the 6<sup>th</sup> & 7<sup>th</sup> of April**

Wednesday and Thursday on the 6<sup>th</sup> and 7<sup>th</sup> of April, the entrance floors in both buildings will be cleaned and waxed. If possible, choose another entrance if work is ongoing just inside the door. Be careful when walking on the wet floors as there is a risk of slipping. Thanks for your consideration!

### **Remove sleds and other winter toys from the stroller rooms**

Now that the winter season has passed, the board would like to remind you to move away winter toys that are no longer used from the stroller rooms to free up space for strollers.

### **Garage cleaning on Saturday the 7<sup>th</sup> of May - Evacuate the garage on Friday May 6<sup>th</sup>**

On Saturday the 7<sup>th</sup> of May, it's time for the annual garage cleaning. This means that all parking spaces must be empty already on Friday the day before since the work starts early Saturday morning. Please enter this date in the calendar with a reminder to **evacuate the garage on Friday, May 6<sup>th</sup>**

Bicycles are does not have to be moved as long as they are not placed in a parking space.

### **Cleaning on Warfvinges väg**

The board has noted that there is still a lot of rubbish on the street outside our entrances. We are continuously working to improve this situation but are still waiting for a response from the City of Stockholm regarding more trash bins. Feel free to help the board by expressing your opinion via the City of Stockholm's app "Tyck till"

Best regards, The Board
